Manufacturing plant: Alca plast, s.r.o  
Bratislavská 2846  
Břeclav  
690 02  
CZECH REPUBLIC

The Engineering Test Institute, Public Enterprise, hereby certifies that the initial product type test of the product concerned has been performed in compliance with the requirements of Section 7 (2) of Government Regulation 163/2002 Coll. laying down technical requirements for selected construction products, as amended by Government Regulation 312/2005 Coll. and Government Regulation 215/2016 Coll., with a satisfactory result.

Normative documents applied:  
Construction Technical Certificate STO-30-01479-18 of 2018-12-01.

Certification scheme applied: ČSN EN ISO/IEC 17067:2014, Scheme 1a.

The present Certificate has been issued on the basis of Final Report on Initial Product Type Testing 30-14054/2/MZ of 2019-01-31, issued by the Engineering Test Institute, Public Enterprise. The Final Report contains the conclusions drawn from the assessment and the data essential for the product identification.

The Certificate is valid **until 2022-01-31** provided the holder does not violate the rules for using the Certificate.

This Certificate does not substitute for a relevant document issued by an authorized body.

The rules for using the Certificate are specified on Page 2.

## RULES FOR USING THE CERTIFICATE

For the purposes of placing the product on the market, this Certificate may be used within the period of its validity and provided the provisions of the standard, according to which the product has been certificated, remain valid. If the normative documents applicable to the certificated product have changed or new normative documents have been issued, the usability of this Certificate must be reviewed.

This Certificate may only be used as a certificate of the product specified on the preceding page. This also applies to its use in advertising, promotional and commercial materials. Unauthorised or deceptive use of the Certificate may result in its withdrawal.

It is prohibited to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used for the product changed without consent of the Engineering Test Institute, Public Enterprise, in such a way that conformity with the standard specified on the preceding page has been affected.

Certification Body requires the holder of this Certificate to keep records of all the complaints and corrective actions relating to the products covered by this Certificate.
